RACE MORNING SCHEDULE

7:00 AM - Registration opens

8:00 AM - Half Marathon starts

8:30 AM - 5K starts

Start/Finish Location: College Pond* parking lot, Plymouth, MA 02360

**Please note, College Pond is within Myles Standish State Forest, where there is very little cell phone service. Please make sure you are aware of this location within the forest before entering in case you lose service on your way in.*

We HIGHLY recommend downloading the [what3words app](#) on your mobile device. The app is free to download and use and integrates with your map app on your phone. You can search for a location by typing in the 3 word location tag, and navigate to that location all from the what3words app. The location tag for the College Pond parking lot on the what3words app is: [\(/dinosaurus.acute.shoulders\)](https://www.what3words.com/dinosaurus.acute.shoulders)

GPS Coordinates for College Pond: **Lat:** 41.87185449291162 **Lng:** -70.66191913964235

There are parking instructions and directions at the end of this document as well.

CELL PHONE SERVICE

Service in the park is not good. Please take a few minutes before leaving your house to check out the park layout, race course, and start/finish area. Do not rely on your phone once you are in the park!

You can find a full map of the park by going to

<https://www.mass.gov/files/documents/2017/11/13/trailmap-mssf.pdf>

GPS WATCHES AND TRACKERS

On the same note, GPS does not work in the State Forest – there are no towers out there, so trackers will give you very inaccurate readings.

BAG DROP

There will be a baggage drop near the registration area.

Note: The bag drop will operate under the honor system.

RESTROOMS & PORTA POTTIES

The College Pond parking lot restrooms will be open for use in the College Pond lot near the start/finish lines. We will also have two porta potties at two separate locations out on the course.

COURSE

There will be water stops approximately every mile on the course. Gatorade will be available at miles 4 and 9.

PLEASE NOTE – the roads are not completely closed to traffic, so please run safe and stay to the right!

COURSE MARKING

Always follow the directional arrows. They will be posted on white barricading at each turn/intersection. In addition, there will also be orange spray chalk on the ground to help you navigate the course, as well as a few designated volunteers directing you when to turn.

PARKING

There are only about 170 parking spots at the College Pond parking lot. These spots are available to runners on a first come, first served basis. Once filled, RaceWire staff will funnel cars down Upper College Pond Rd, taking a right down Cranford Rd. Cranford will be available for on-street parking.

IMPORTANT – Cranford Rd is a one way street that must be accessed via Upper College Pond Rd. Please see the map at the end of the document.
